Hyrule warriors weapon upgrade guide

Hyrule warriors age of calamity weapon upgrade guide.

On the right-hand side, you can see how much the fusion will upgrade your weapon, including its increase in level, damage, and any additional special effects that it will gain. Once you've unlocked the Hylian Blacksmith Guild, you'll be able to fuse weapons to upgrade your preferred weapon, or sell weapons that you don't need to get rupees. Not unlike The Legend of Zelda: Breath of the Wild, weapons in Hyrule Warriors: Age of Calamity need to be changed out regularly to make sure they're strong enough to face increasingly difficult enemies. Via the Map Overview screen, you'll see a hammer icon pop-up: supply the Guild with the requested materials to unlock the blacksmith. Select a character and a menu will pop up with all their weapons. What weapon will you try to max out? Fuse weapons to upgrade them. Remember, this action costs rupees, so make sure you have some of those as well. On the next screen, select 'Fuse Weapons' and then the character whose weapon you want to upgrade. In this case, I chose the boku club. So, honing-in on specific special effects in fusion materials, to upgrade your weapon with, can allow you to create a piece that benefits from incredibly potent special effects. The tips in this video are sure to relieve some of the most frustrating aspects of weapon enhancement, including the skyrocketing cost and low payoff with higher ranked weapons. The boost can come in many forms, such as a substantial enhancement to the special effect or by delivering an increase to the weapon's attack power. If the fusion materials have the same special effect seal (seen as a grey symbol next to the effect's name) as a special effect already bound to the primary weapon, the upgrade can receive a significant boost. On your preferred character, scroll down to the weapon box to see the damage, level, and effects of the weapon in-hand. Weapons have maximum levels which limit the amount that you can enhance each item. You'll then be shown another screen before you complete the upgrade, detailing the enhancements and asking you to press A to confirm. Here, we're breaking down how you can go about getting better weapons in the hands of your Hyrule warriors in the game Age of Calamity. In BOTW, that meant finding new ones or hoarding powerful ones to take on the random Lynel or Guardian. Select the weapon you want to upgrade. As for the others, you can sell them or fuse them to upgrade your primary weapon in Hyrule Warriors: Age of Calamity. Each selected basic weapon to fuse will cost you 50 rupees. Each hero will collect a certain type of weapon as they hack and slash their way through opposing armies, with several variants out there to be found. Once you select the weapon, you can choose how many other weapons you want to fuse it with to make it stronger. nintendo The popular Sheikah Rune from Breath of the Wild is back. Next, you'll select up to five other weapons to fuse into your chosen weapon. Two weapons of the same name and appearance can be different in level, damage output, and special effects, so it's worth checking through them all before deciding which one to equip. Getting seal-matching boosts in Hyrule Warriors When you're selecting the fusion materials for your weapon upgrade in Hyrule Warriors: Age of Calamity, the special effects of the materials can be transferred to the weapon being upgraded. How to view and equip weapons in Hyrule Warriors From the Map Overview screen, to view which weapon each of your characters has equipped, you need to press + to go to the Menu, and then navigate with L/R to the Allies tab. Here's how to use it. You will permanently lose the weapons you choose to add to the selected one. Here's a quick reference guide to other information in this video: Matching weapon types to boost enhancements Demystifying the relationship between weapon levels and seal enhancements Explanation of the various seal types Matching seal types with specific characters Stacking seals to unlock bonus damage Unlocking hidden seals Tell us what you think. In Age of Calamity, there's a convenient place to do all your weapon upgrading: The Hylian Blacksmith Guild. After you've provided the requested materials, visit the blacksmith by pressing A on the blue hammer icon via the Map. The system for upgrading weapons is convoluted at best, and Koei Tecmo certainly doesn't provide much guidance for players beyond the nebulous symbols on the weapons themselves. When you've selected the weapons that you'd like to fuse, press + to merge them into your primary weapon. You can unlock the Guild, found on the map below Korok Forest, after the second level of Chapter 1. On the next page, you can see more details about the weapon's effects as well as equip a different weapon. You can train, upgrade, apply armour to, and upgrade the weapons of the likes of Princess Zelda, Link, and Impa. However, this recent video from Croton gifts Zelda fans some much needed assistance and is well worth watching. Should you want more details about the equipped weapon and to view all of that character's stored weapons, press A on the weapon block. How to get new weapons in Hyrule Warriors When you're battling across Hyrule, opening crates, defeating powerful bosses, and cutting down the many minions of Calamity Ganon, your warriors will pick-up several items, including weapons. Share your reactions in the comments below! Source: Croton Tagged With: No tags were found for this entry. Did this guide clarify the weapon fusing process in Hyrule Warriors: Age of Calamity? The blacksmith can fuse up to five weapons together. How to upgrade weapons in Hyrule Warriors: Age of Calamity Published 17 dec 2020 By Jon Silman Here's how to make sure you have the best weapons in the game. How to upgrade your weapons in Hyrule Warriors To upgrade your weapons in Hyrule Warriors: Age of Calamity, you'll first need to unlock the Hylian Blacksmith Guild. For a game sold as a hack-and-slash action title, Hyrule Warriors: Age of Calamity is remarkably deep in role-playing elements for each of its characters. One especially helpful suggestion is to find random weapons with "fusion material XP" bonuses, use those for creating a highly advanced weapon, then fusing that powerful weapon to the actual one players want to upgrade. I'm not saying you need an oversized boku club (it's essentially a stick!), but it's cool that you can. Here's my creation. Confirming the fusion will upgrade your weapon but destroy all of the fusion material weapons, so be careful about fusing rare or unique items. In describing his YouTube channel, Croton explains: "I am a passionate Zelda fan that loves creating content revolved around this amazing series...from my 'Stats of the Wild' videos, where I break down and analyze hidden aspects about Breath of the Wild's vast gameplay mechanics...[to] other Zelda analyses, theories, and even my Wednesday night livestreams, I'm sure there's something here for every Zelda fan to enjoy!" Croton's Zelda expertise is a welcome source of knowledge in this how-to guide for Hyrule Warriors: Age of Calamity. Here, you'll see all of your allies, being able to move between each one with the left analogue. You'll then pick the weapon that you want to enhance. Experiment with all kinds of different weapon combinations to see what you come up with. For those trying a Hyrule Warriors game for the first time, the weapon fusing mechanic in Age of Calamity likely came as a shock. So, if you want to upgrade your weapons in Hyrule Warriors: Age of Calamity, be sure to unlock the blacksmith locations and make the most of seal-matching boosts. From the outset, each character can carry 20 weapons, so it's a good idea to check on their inventory after each quest, battle, or expedition to avoid them reaching capacity.
